

National Ataxia Unit Team

Tallaght University Hospital (TUH)

Prof Sinead Murphy

Prof Richard Walsh

Dr Petya Mihaylova-Bogdanova

Research Assistant –Dr Mary Kearney

In the video, Prof Walsh discusses:

- Difficulties encountered by medical experts when a person with ataxia presents to the National Ataxia Team
- Details of the current National Ataxia Clinic
- The future, as TUH centre has become a recognised European centre for ataxia in the European Reference Network for Rare Neurological Diseases (www.ern-rnd.eu)
